# Custom - creating the right solution with you

With a track record of delivering innovative, beautifully designed and functional solutions that have transformed brand experiences across the world, Compulocks' expert R&D team tailor for every aspect of related hardware security. We are dedicated to advancing your message and vision by creating the right solution for you - tablet stands, promotional tablet enclosures and smart custom kiosks are just some of the dynamic tools that we have created.

## **Tabit** dine smart Integrated mPOS

Tabit approached Compulocks for an integrated mPOS, combining iPad and EMV in an easy to use handheld solution for the demanding Hospitality sector. Our response was to create an eco-system of POS stand and a lightweight durable mPOS security enclosure complete with shock-absorbing protection, integrated card reader and ergonomic handgrip that is now used around the world.
